

CR-93S-1B and CR-93S-3B rings fit within the width of a rack; they are designed for smaller, single-rack installations or where the width of the rack cannot be exceeded. Larger capacity CR-93S-2B and CR-93S-4B rings mount between adjacent racks and equal the combined width of the rack channels; they are designed for multiple rack installations

Features & Benefits

Creates an organized vertical channel for patch cables:Mounts to any industry standard EIA Rack for vertical management of patch cords.

Manufactured out of steel:Sturdy and durable.

Includes mounting hardware:Do not have to purchase as separate item.

Designed for multiple rack installations:Used between adjacent racks.

Slotted mounting holes:Ease of installation .

Ideal for pre-existing installations where vertical management is required.

Specifications

General Info

Product Line	Ortronics	Color	Black
Finish	Powder Coat	UPC Number	662875539186
Country Of Origin	United States	Application Sector	Commercial
Warranty Type	5-Year	Type	Cable Manager

Dimensions

Product Width US	0.91 in	Product Depth US	4.75 in
Product Height US	3.5 in		

Additional Information

RoHS Compliant	Yes
----------------	-----

Technical Information

Compatibility	Q-Series	Rack Units	2
Seismic Tested	No	Mounting	Vertical
