

WindFall® Stand for Surface Go

A sturdy, stylish stand for your Surface Go.

K67932US

Product Description

The WindFall® Stand for Surface Go offers a combination of strong security and elegant, contemporary looks to raise the level of style and interactivity for retail and hospitality spaces. Features include tamper-resistant screws, ClickSafe® and NanoSaver™ lock slots (K64435WW ClickSafe 2.0 Keyed Laptop Lock and K64444WW NanoSaver Keyed Laptop Lock sold separately), and integrated cable management.

Features

- Securely mounts with tamper-resistant screws. Includes ClickSafe® and NanoSaver™ lock slots (K64435WW ClickSafe 2.0 Keyed Laptop Lock and K64444WW NanoSaver Keyed Laptop Lock sold separately).
- The sturdy stand is cut from high-quality steel and mounts to your Surface Go at the perfect angle for interactive use. Scratch and fingerprint-resistant powdercoat finish helps keep it looking great.
- Integrated cable management keeps your Surface Go powered throughout the day and eliminates cable clutter for a cleaner point of sale.

Specifications

- **My Device** Surface Go
