

FP236W9 Privacy Screen for Widescreen Monitors (23.6" 16:9)

K60730WW

Product Description

Trust Kensington, the choice of IT professionals, to help protect the sensitive information on a monitor and reduce the chances of wandering eyes viewing confidential data. FP Series Privacy Screens limit the field of vision to +/- 30 degrees so a person off to the side only sees a dark screen. They are easy to install with either the included frameless tab holders or double-sided tape. The reversible privacy screens also use an anti-reflective coating to reduce glare, and they filter out harmful blue light by up to 30 percent.

Features

- Limits viewing angle to +/- 30°, hiding personal or confidential information from anyone trying to look from the side
- Reduces harmful blue light by up to 30%
- Can be installed using the included frameless tab holders or double-sided tape
- Anti-reflective coating reduces glare and improves clarity
- Reversible with matte and glossy viewing options
- Protects the monitor screen from scratches and damage
- Cleaning cloth included
- TAA Compliant
