

StudioCaddy™ with Qi wireless charging for Apple devices

Maximise desktop space while keeping your Apple devices charged, organised and within reach.

K59090WW

Product Description

Designed exclusively for Apple, StudioCaddy™ with Qi wireless charging for Apple devices is a versatile, space-saving solution that maximises desktop space while keeping all of the devices in your Apple ecosystem charged, organised and within reach. Dual Qi charger works with any Qi-enabled iPhone. Also charges AirPods. Magnetically attaches to the MacBook/iPad stand - detaches for more flexibility.

Features

- Designed exclusively for Apple to support your entire Apple ecosystem. Vertical stand cradles MacBook or iPad, Qi wireless charging for iPhone and AirPods and additional USB charging for iPad, iPad Pro and Apple Watch (charging cables not included).
- Space-saving stand cradles the MacBook in a vertical (closed) position.
- Dual Qi charger works with any Qi-enabled iPhone. Also charges AirPods. Magnetically attaches to the MacBook/iPad stand - detaches for more flexibility.
- USB-A and USB-C ports for additional iPad, iPhone, AirPods and Apple Watch power options (charging cables not included).
- iPad holder allows for viewing and storage of iPad or iPad Pro in landscape or portrait orientation.
- The entire underside of the StudioCaddy's base is coated in sturdy, non-slip material for extra-sure footing.
