

HP 499250-001 power supply unit 460 W Metallic

Brand : HP
Product code: 499250-001
Product name : 499250-001

460W High Efficiency Common Slot Gold Hot Plug Power Supply

HP 499250-001 power supply unit 460 W Metallic:

Looking to reduce energy cost and space with increased performance? HP Common Slot Power Supplies share a common electrical and physical design that allows for hot-swap, tool-less installation into HP server and storage solutions. These power supplies are available in multiple, high-efficiency input and output options, allowing you to "right-size" a power supply for specific server/storage configurations and environments.

This flexibility helps to reduce power waste, lower overall energy costs, and avoid "trapped" power capacity in the data center. The power supplies provide the IT industry's highest level of power efficiency (up to 96%), helping users to reduce power requirements per server and reducing overall data center power requirements.

Power		Design	
Total power *	460 W	Product colour	Metallic
AC input voltage *	100 - 240 V	Weight & dimensions	
AC input frequency	50 - 60 Hz	Width	38.1 mm
Efficiency	92%	Depth	86.3 mm
Performance		Height	190.5 mm
Purpose *	Server	Weight	1.36 kg
Compatible products	Proliant	Logistics data	
	DL180/DL160/DL360/DL385/DL380 G6	Harmonized System (HS) code	84733020
