

## HP Intel Core 2 Duo T5470 processor 1.6 GHz 2 MB L2 Tray

**Brand :** HP

**Product code:** 500757-001

**Product name :** Intel Core 2 Duo T5470

Intel Core 2 Duo Processor T5470 (2M Cache, 1.60 GHz, 800 MHz FSB)

HP Intel Core 2 Duo T5470. Processor family: Intel® Core™ 2 Duo, Processor socket: Socket 478, Processor lithography: 65 nm. Number of Processing Die Transistors: 291 M, Processing Die size: 143 mm<sup>2</sup>

| Processor                   |                    | Features                                                 |                     |
|-----------------------------|--------------------|----------------------------------------------------------|---------------------|
| Processor model *           | T5470              | Number of Processing Die Transistors                     | 291 M               |
| Processor base frequency *  | 1.6 GHz            | Processing Die size                                      | 143 mm <sup>2</sup> |
| Processor family *          | Intel® Core™ 2 Duo | Embedded options available                               | ×                   |
| Processor cores *           | 2                  | <b>Processor special features</b>                        |                     |
| Processor socket *          | Socket 478         | Intel® Hyper Threading Technology (Intel® HT Technology) | ×                   |
| Processor lithography *     | 65 nm              | Intel® Turbo Boost Technology                            | ×                   |
| Processor operating modes * | 64-bit             | Enhanced Intel SpeedStep Technology                      | ✓                   |
| Processor cache             | 2 MB               | Intel Trusted Execution Technology                       | ×                   |
| Processor cache type        | L2                 | Intel Demand Based Switching                             | ×                   |
| Processor front side bus    | 800 MHz            | <b>Operational conditions</b>                            |                     |
| Thermal Design Power (TDP)  | 35 W               | Tjunction                                                | 100 °C              |
| Package type *              | Tray               | <b>Other features</b>                                    |                     |
| Stepping                    | M0                 | Intel® Virtualization Technology (Intel® VT)             | ×                   |
| FSB Parity                  | ×                  |                                                          |                     |
| <b>Features</b>             |                    |                                                          |                     |
| Execute Disable Bit         | ✓                  |                                                          |                     |
