

DELL AB614354 memory module 128 GB 1 x 128 GB

Brand : DELL

Product code: SNPNCRJNC/128G

Product name : AB614354

Memory Upgrade - 128GB - 3200MHz Intel Optane PMem 200 Series

DELL AB614354 memory module 128 GB 1 x 128 GB:

Random Access Memory (RAM) is a type of hardware that your computer uses to store information. Adding memory is one of the most cost-effective ways to improve your computer's performance.

Dell™ Branded memory offered in the Memory Selector has gone through rigorous quality assurance and quality control testing to ensure it will work with your specific Dell System so it is fully compatible and supported by Dell. Getting unqualified or generic products from other vendors can cause downtime that can seriously cost your business and put your entire system at risk.

Memory offered now may differ in speed from the original system memory but has been qualified to work in the system. When mixed, the memory will perform at the lowest speed populated or the highest speed allowed by the system.

DELL AB614354. Component for: PC/Server, Internal memory: 128 GB, Memory layout (modules x size): 1 x 128 GB, Memory clock speed: 3200 MHz
