- Covers the accidents warranty doesn’t - Protection for qualified drops, spills and electrical surges on covered systems, helping close the gap left by standard hardware warranty and reducing surprise repair or replacement expenses.
- Minimizes downtime when mishaps occur - Streamlined claim handling and repair by Dell technicians helps get damaged PCs back in service quickly, so students and employees can return to work with minimal disruption.
- Ideal for high-risk, mobile use cases - Designed for environments like education, field work and heavily mobile users, Accidental Damage Service adds an extra layer of assurance that devices—and budgets—are better protected when life happens.
